## New look. Same purpose.

**ISU Credit Union**

*Just ask what we can do for you!*

**Indiana State University  
Federal Credit Union**

*people helping people*

For over 16 years, our previous logo has portrayed the Credit Union's front facing facade of our building. As time has passed and the Credit Union has grown, we felt it was time to refresh our image look as well.

This new look collectively joins the credit union movement with the mission of Indiana State University Federal Credit Union (ISUFCU). The mission of ISUFCU is to be committed to member service and provide the best traditional and innovative financial services possible, while maintaining fiscal and civic responsibility.

With the modernization of our new logo and color scheme, our hope is that it symbolizes what we strive to do for our members every day. People helping people. It's always been our purpose for existing in our community.

As we make this transition, you will still see our previous logo hanging around in places as it is an integral part of our past. Present and future members will continue to receive the same great service, as always. We look forward to continuing to serve you and your family for many years to come.
